

## Specialty pharmacy drug list

July 1, 2020

Optum<sup>®</sup> Specialty Pharmacy provides specialty medication support through your pharmacy benefits with OptumRx<sup>®</sup>. Optum Specialty Pharmacy provides comprehensive support services, including access to pharmacists around the clock, for high-cost oral and injectable medications used to treat rare and complex conditions. In addition, your medications will be shipped to you at no extra cost.

## Characteristics of specialty medications

Specialty medications are used to give care for rare and complex conditions. They are often drugs you take by mouth or inject. For a medication to be filled through Optum Specialty Pharmacy, it must be at least one of the following:

### High-priced

- Can cost more than \$1,000/30 day supply.

### Complex

- Drug imitates compounds found in the body.
- Part of a specialty drug class.

### High-touch

- Special shipping or handling like refrigeration.
- Needs a doctor or pharmacist to measure how well it works for you.
- Special steps to follow as you take.
