The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, go to www.uhh.org/alaska or call 844-427-8501. Important Questions	Answers	Why This Matters:
What is the overall deductible?	PPO Provider: \$250 person / \$500 family Non-PPO Provider: \$500 person / \$1,000 family	Generally, you must pay all of the costs from providers up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your deductible?	Yes. <u>Preventive care</u> , routine physicals, preadmission tests, 2nd surgical opinion, home health care, and confinement in a skilled nursing facility are covered before you meet your <u>deductible</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-pocket</u> limit for this <u>plan</u> ?	Medical: For PPO Providers: \$3,000 person / \$6,000 family; Non-PPO Providers: \$8,750 person / \$16,500 family. Prescription Drugs: \$2,350 person / \$4,700 family.	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the <u>out-of-pocket</u> limit?	Premiums, balance-billing charges, penalties, Non-PPO copays and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out–of–pocket limit</u> .
Will you pay less if you use a <u>network provider</u> ?	Yes. See www.multiplan.com or call 1-888-636-7427 for a list of PPO providers. For a list of PPO providers in the Municipality of Anchorage see www.uhh.org/alaska or call 844-427-8501.	This <u>plan</u> uses a PPO provider <u>network</u> . You will pay less if you use a <u>provider</u> in the plan's <u>network</u> . You will pay the most if you use a Non-PPO provider, and you might receive a bill from a <u>provider</u> for the difference between the provider's charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware, your <u>PPO provider</u> might use a <u>Non-PPO provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the specialist you choose without a referral.

All <u>copayment</u> and <u>coinsurance</u> costs shown in this chart are after your <u>deductible</u> has been met, if a <u>deductible</u> applies.
