This month's classes include the following topics:

- **Diabetes 1** – Learn about diabetes, how to measure your blood sugar and tips to live healthier.
- **Diabetes 2** – Find out how to make smart changes to your diet.
- **High Blood Pressure** – Learn how high blood pressure can affect your life.
- **Breastfeeding** – Learn what to expect when breastfeeding.

There is no cost to patients for the classes. You can conveniently view class dates and times on the website at: [www.culinaryhealthfund.org](http://www.culinaryhealthfund.org).
