Resorts World – New Members Added

At last month's Resorts World open enrollment, almost 1400 employees were added to the Culinary Health Fund plan, with an effective date of **June 1st, 2022**.

Temporary ID cards were given out; it will take between 2-3 weeks to get the employees & their dependents entered in the system and to mail out permanent ID cards.

Virtual Wellness Classes

Each month, The Culinary Health Fund offers virtual wellness classes.

A referral is not required for any of our classes, but patients are more likely to attend when their doctor refers them and follows up on their progress.

This month's classes include the following topics:

- **Diabetes 1** – Learn about diabetes, how to measure your blood sugar and tips to live healthier.
- **Diabetes 2** – Find out how to make smart changes to your diet.
- **High Blood Pressure** – Learn how high blood pressure can affect your life.
- **Breastfeeding** – Learn what to expect when breastfeeding.

You can conveniently view class dates and times on the website at: www.culinaryhealthfund.org.
