Credentialing Delays

Due to staffing shortages, there may be a delay in the length of time it normally takes for the credentialing process.

We ask for your patience while we work diligently to restaff.

Virtual Wellness Classes

Each month, The Culinary Health Fund offers virtual wellness classes. **And we're happy to announce that starting this month we are also offering in-person and some evening classes at the Culinary Health Center.**

A referral is not required for any of our classes, but patients are more likely to attend when their doctor refers them and follows up on their progress.

This month's classes include the following topics:

- **Diabetes 1** – Learn about diabetes, how to measure your blood sugar and tips to live healthier.
- **Diabetes 2** – Find out how to make smart changes to your diet.
- **High Blood Pressure** – Learn how high blood pressure can affect your life.
- **Breastfeeding** – Learn what to expect when breastfeeding.

You can conveniently view class dates and times on the website at: www.culinaryhealthfund.org.
