Pharmacy Corner

The preferred drug list (“formulary”) for Culinary participants at retail network pharmacies is available on the Culinary Health Fund website (URL listed below).

The preferred drug list is a pdf booklet that has a list of covered medications and shows if they have coverage requirements or limits.

Where differences exist between this list and the benefit plan, the benefit plan documents rule. This is not a complete list of covered medications.

This webpage also has information about specialty medications, Optum Specialty pharmacies and other pharmacies available to our participants:

Health Living Classes

Each month, The Culinary Health Fund offers virtual and in-person wellness classes.

A referral is not needed for any of our classes, but patients are more likely to attend when their doctor refers them and follows up on their progress.

Attached to this month’s newsletter is our current flier for the classes being offered.

Inactive Providers – November 2023
