Wellness Classes for July

The Culinary Health Fund offers virtual as well as in-person wellness classes at our health centers.

This month's classes include the following topics:

- **Breastfeeding** – Learn what to expect when breastfeeding.
- **Diabetes 1** – Learn about diabetes, how to measure your blood sugar and tips to live healthier.
- **Diabetes 2** – Find out how to make smart changes to your diet.
- **High Blood Pressure** – Learn how high blood pressure can affect your life.
- **Kidney Smart** – Learn how your kidneys work, what causes kidney disease and what treatments are available.
- **Medicare Basics** – Learn who is eligible, when to enroll and how Medicare works with Culinary benefits.
