September Health and Wellness Classes

The Culinary Health Fund offers virtual as well as in-person wellness classes at our health centers.

A referral is not needed for any of our classes, but patients are more likely to attend when their doctor refers them and follows up on their progress. This month's classes include the following topics:

- **Diabetes 1** – Learn about diabetes, how to measure your blood sugar and tips to live healthier.
- **Diabetes 2** – Find out how to make smart changes to your diet.
- **High Blood Pressure** – Learn how high blood pressure can affect your life.
- **Medicare Basics** – Who is eligible for Medicare, when to enroll, the average cost and how to avoid paying penalties.

You can conveniently view class dates and times on the website at:
