Charging for Completion of Forms

The Culinary Health Fund would like to remind you that as a Culinary network provider, you may not charge for the completion of forms (i.e. FMLA, Loss of Time, Disability, etc.) for Culinary participants; this is in accordance with Article III, Section E of your Preferred Provider Agreement.

For questions regarding this, please contact the Healthcare Services Team at healthcareservices@culinaryhealthfund.org

Pharmacy News

Uloric: FDA adds Boxed warning for increased death with gout medicine Uloric.

<https://www.fda.gov/Drugs/DrugSafety/ucm631182.htm>

“The U.S. Food and Drug Administration (FDA) has concluded there is an increased risk of death with Uloric (febuxostat) compared to another gout medicine, allopurinol. This conclusion is based on our in-depth review of results from a safety clinical trial that found an increased risk of heart-related death and death from all causes with Uloric.... limiting the approved use of Uloric to certain patients who are not treated effectively or experience severe side effects with allopurinol.

Wellness Classes

There are plenty of Health and Wellness classes available for Culinary participants this month!!

Please check our website, www.culinaryhealthfund.org to check the dates and times or print out the schedules. We have classes at two locations: 515 E. St. Louis Ave. (bldg. C) and the Culinary Health Center, 650 N. Nellis Blvd.

Classes are taught in both English and Spanish.

Classes being offered this month include topics on:

- Kidney Smart – learn how diabetes, high blood pressure and high cholesterol can affect the kidneys.
- Diabetes – Two different classes on offer, one to learn about diabetes, how to measure blood sugar, and tips to live healthier and one to find out how to make smart changes to your diet.
- High Blood Pressure – Learn how high blood pressure can affect your life
- Smoking Cessation
- Breastfeeding
- Advance Care Directives.
