Dear Culinary Provider,

In March, Congress passed a bill that allows for 100% payment of COBRA premiums from April 1st through September 30th.

If you have a patient presenting to your office that is determined to no longer be eligible, **they may be able to continue their Culinary coverage by enrolling in COBRA.**

Please tell the patient(s) they will need to complete the enrollment process on the Culinary Health Fund's Patient Portal at: www.culinaryhealthfund.org/portal

If you have any questions regarding this notification, please contact one of our Healthcare Services Associates at (702) 892-7313, option 2.

Sincerely,

The Culinary Health Fund
