

IMPORTANT FORMULARY UPDATE

Formulary change impacting diabetic patients: New blood glucose meter & test strip vendor change

We value the care you provide to our members and want to inform you about an important upcoming formulary change that could impact patients with diabetes.

Effective January 1, 2021, Our Pharmacy Benefit Manager, OptumRx is changing their preferred blood glucose meter and test strip vendor to Contour Next[®], replacing OneTouch[®] and Accu-Chek[®].

New meters will be made available at no cost for all patients currently filling prescriptions for blood glucose test strips.

What this means to you:

Impacted patients have been notified about this upcoming change and have been advised to contact their providers to determine if switching to a preferred alternative is appropriate.

For more information:

Please call OptumRx Customer Service at 866-611-5960 for more information of if you have any questions.

Thank you for your assistance!
