RE: Prior Authorization and Network Changes

Please make note of the following changes going into effect on April 1st, 2022:

1. Wound Care Therapy done in an outpatient hospital setting (POS 22) will now require prior authorization.
2. Steinberg Diagnostic Medical Imaging (SDMI) will be added to the network as a contracted provider of Radiology services.
3. PET scans performed by SDMI or Desert Radiologists will no longer require prior authorization.

If you have any questions or concerns, please contact Provider Services at 702-892-7313, option 2 or by email at: healthcareservices@culinaryhealthfund.org

Sincerely,

Culinary Health Fund
