RE: MOBILE OR HOME EEG TESTING

Dear Culinary Provider:

This notification is to advise that the Culinary Health Fund is not contracted with mobile or home EEG testing providers. Therefore, we do not reimburse the technical component for these types of services to these providers. We require our PPO providers to submit the global CPT code that contains all components for these types of testing.

For Culinary participants who require mobile or home EEG testing services, please use the following global CPT codes for billing:

EEG Home Monitoring: 95950-95953 & 95956

If you have any questions, please contact Healthcare Services at (702) 892-7313, option 2.

Sincerely,

Culinary Health Fund
